

2026 – 2027 MSUWMA Sponsorship Options

The Michigan State University Wealth Management Association (MSUWMA) is a student-led organization of over 200 highly motivated individuals preparing for careers in wealth management and financial planning. Partnering with MSUWMA gives your firm the opportunity to gain valuable brand exposure on campus, connect with top student talent, and build lasting relationships with potential future employees. By creating a mutually beneficial partnership, your company can support student development while also strengthening its presence in the next generation of financial professionals. Support the next generation of students who are ready to make a difference!
